3-5 SEPTEMBER 2025

45th SICOT
ORTHOPAEDIC WORLD CONGRESS
 MADRID · SPAIN · 3-5 SEPTEMBER 2025

Dear Colleagues and Industry Partners,

On behalf of SICOT, it is our great honour to invite you to join us for the 45th Orthopaedic World Congress in Madrid, from September 3rd to 5th, 2025. This event promises to be a groundbreaking and transformative gathering for the orthopaedic community.

Our congress will serve as a global platform where leading experts, innovative researchers, and industry leaders come together to share cutting-edge advancements, research findings, and technological innovations that are shaping the future of orthopaedic care. The comprehensive program will feature plenary and keynote lectures, debates, interactive workshops, panel discussions, JAM and free paper sessions covering a wide array of topics, from advanced cutting edge surgical techniques to emerging technologies in practice and challenges of orthopaedic practice in the Low income countries.

Your participation is invaluable. As delegates and industry partners, your insights and collaborations are essential in driving progress in our field. We encourage you to engage in discussions, share your perspectives, and explore new opportunities for collaboration that will not only enhance patient care but also propel our specialty forward. Our goal for this congress is to host the most successful GLOBAL SICOT meeting yet, welcoming delegates from all corners of the world.

Madrid, with its rich cultural heritage and vibrant atmosphere, offers the perfect backdrop for our congress. Its accessibility, with direct flights to hundreds of cities across Asia, Africa, the Middle East, Latin America, North America, and Europe, makes it an ideal location for our international gathering. We hope you'll take time to explore the wonders of this magnificent city during your stay.

We look forward to welcoming you warmly to what will undoubtedly be a memorable and impactful event. Together, let's continue advancing the fields of orthopaedics and trauma, shaping the future of musculoskeletal health.

Warm regards,

Vikas Khanduja

President
SICOT

Oliver Marín-Peña

Congress President
SICOT OWC Madrid 2025

45th SICOT
ORTHOPAEDIC WORLD CONGRESS
 MADRID · SPAIN · 3-5 SEPTEMBER 2025

It is my great pleasure to welcome you to the 2025 SICOT Orthopaedic World Congress (OWC), taking place from 3-5 September in Madrid, Spain. As the Scientific Programme Chair, I am honored to introduce a congress that embodies SICOT's unwavering commitment to advancing orthopaedic education, research, and clinical excellence on a global scale.

This year's scientific programme has been meticulously designed to be more interactive, engaging, and innovative than ever. Alongside our renowned Instructional Symposia, Free Papers, Debates, Surgical Technique Demonstrations, Ask the Expert Sessions, and Case Discussions, we are introducing exciting new sessions that address the evolving landscape of orthopaedics. These include dedicated sessions on leadership and practice management, round-table complex case discussions, regenerative medicine and future innovations, as well as a hands-on cadaveric course. Additionally, the Pre-Congress SICOT Postgraduate Examination Course (SPECTOR) has been developed to support trainees in orthopaedic residency, further enhancing the educational opportunities available at the congress. And the LATAM Pre-Congress Programme, dedicated to Upper and Lower Limb, will ensure a high level of up-to-date knowledge with our Latin American friends.

A key highlight of SICOT OWC 2025 will be the world-renowned plenary lectures and keynote speakers, featuring distinguished experts from around the world, who will share cutting-edge insights, challenge conventional thinking, and inspire the next generation of orthopaedic professionals. These thought-provoking sessions will complement an already dynamic and comprehensive scientific programme, ensuring that attendees gain valuable perspectives from leaders at the forefront of orthopaedic innovation.

With a world-class faculty spanning all continents, SICOT OWC 2025 promises to be a truly global gathering where experts and emerging leaders come together to share their research, discuss key challenges, and shape the future of orthopaedics. The scientific sessions have been carefully curated to ensure a balance of cutting-edge research, practical learning, and thought-provoking discussions that will inspire and drive meaningful advancements in patient care.

A congress of this magnitude is only possible through the dedication and hard work of many individuals. I would like to extend my heartfelt gratitude to the Scientific Programme Committee, our Subspecialty Chairs and Committees, Partner Societies, faculty, and all contributors who have worked tirelessly to curate an outstanding programme. Their expertise and commitment have been instrumental in bringing this vision to life.

Madrid, with its rich cultural heritage, modern infrastructure, and vibrant atmosphere, provides the perfect backdrop for this exciting event. I invite you to immerse yourself in the science, engage with colleagues from around the world, and take full advantage of this unparalleled learning and networking opportunity.

On behalf of SICOT and the Scientific Programme Committee, I look forward to welcoming you to Madrid 2025 for an inspiring and unforgettable congress.

Warm regards,

Khaled M Sarraf

PROGRAMME FEATURES

WELCOME TO MADRID

Welcome to Madrid, the capital and largest city of Spain. Madrid is a vibrant and cosmopolitan city that offers a rich cultural heritage, a lively nightlife, and a variety of attractions for all tastes.

Whether you are interested in art, history, gastronomy, or sports, Madrid has something for you. You can visit world-class museums like the Prado, the Reina Sofia, and the Thyssen-Bornemisza, admire the stunning architecture of the Royal Palace, the Plaza Mayor, and the Puerta del Sol, enjoy the green spaces of the Retiro Park, the Casa de Campo, and the Botanical Garden, or indulge in the delicious cuisine of tapas, paella, and churros. Madrid is also a great base to explore other nearby destinations like Toledo, Segovia, and Avila.

Come and discover the charm and beauty of Madrid, a city that will surprise you and make you fall in love.

SICOT DIPLOMA EXAM

Wednesday 3rd September, 08:30 – 18:00h
 Room BRUSELAS

In 2003, for the first time, SICOT held an examination for orthopaedic trainees during its Annual International Conference in Cairo, Egypt. A SICOT Diploma Examination has been held every year since.

The SICOT Diploma Examination aims to set a global standard for examination in Trauma and Orthopaedics and to offer candidates the flexibility to choose the format that best suits their needs, while still ensuring the integrity and rigour of the examination. The exam tests the core clinical knowledge and competence of the orthopaedic candidate or surgeon in practice.

The syllabus (www.sicot.org/diploma-examination) for the exam is broad, covering the whole breadth of Trauma and Orthopaedics, which can be applied globally. The candidate must be able to demonstrate clinical knowledge and competence appropriate to orthopaedic and trauma surgery across the whole breadth. The syllabus is broadly divided into the following four domains: Basic Sciences – including Oncology and Infection Trauma Adult Pathology – Spine and Lower Limb Upper Limb and Paediatric Orthopaedics

The results of the examination will be announced at the Closing Ceremony on Friday 5th September at 12:00 in the Main Auditorium of the Palacio Municipal de Congresos de Madrid. and successful candidates will be presented with a diploma.

IMPORTANT NOTICE:

Candidates should only apply for one award. The award winners of the first six awards below should attend the Closing Ceremony on Friday, 5 September 2025 to receive their prize.

For more information please e-mail awards@sicot.org

KOREAN SICOT AWARD SPONSORED BY THE KOREAN ORTHOPAEDIC ASSOCIATION

Awarded at the Closing Ceremony of each World Congress, one prize of USD 1000 is granted to one orthopaedic surgeon with an accepted oral or poster presentation in Orthopaedic Microsurgery. The purpose is to help a young surgeon attend the Congress.

Prerequisites: candidates must be under 40, be members of SICOT (2025 membership paid), and have an accepted abstract (oral or poster presentation in Orthopaedic Microsurgery) for the SICOT Congress.

Please send the following documents to awards@sicot.org: application letter indicating travel costs, CV, copy of birth certificate or passport, and title of the abstract

Application deadline: 28 May 2025

LESTER LOWE SICOT AWARDS SPONSORED BY THE SICOT FOUNDATION

Two awards of USD 500 each, as well as free registration for the Congress and a certificate, will be granted at the Closing Ceremony to two young orthopaedic surgeons with an accepted abstract (poster) in Sports Traumatology and Arthroscopy. The purpose is to help them attend the meeting and encourage the submission of poster presentations.

Prerequisites: candidates must be members of SICOT under 40 years of age (2025 membership paid) and must have an abstract (poster) in Sports Traumatology and Arthroscopy accepted for the Congress.

Please send the following documents to awards@sicot.org: application letter, CV, abstract accepted for the Congress, copy of birth certificate or passport.

Application deadline: 28 May 2025

MARCELA URIBE ZAMUDIO AWARDS SPONSORED BY THE SICOT FOUNDATION

Two prizes of USD 500 each is awarded during the Closing Ceremony, along with a certificate, to two women orthopaedic surgeons or trainees under 40 years of age who have published an original scientific work in orthopaedics or traumatology in the English language within the last three years. The purpose of the award is to encourage young female researchers and clinicians.

Please send the following documents to awards@sicot.org: application letter, CV, copy of birth certificate or passport, and copy of one piece of personal work published within the last three years.

Application deadline: 28 May 2025

NUVASIVE/SICOT FOUNDATION SCHOLARSHIPS SPONSORED BY NuVasive AND SICOT FOUNDATION

Four scholarships of USD 500 each for posters in Spine and three scholarships of USD 1,000 each for orals in Spine with a certificate will be awarded at the Closing Ceremony of the Congress. The purpose is to allow eligible Active or Associate members of SICOT to attend the SICOT Congress by helping to cover the accommodation and travel costs.

Prerequisites: candidates must be orthopaedic spine surgeons or general orthopaedic surgeons with a major interest in spine surgery; 45 years of age or younger; Active or Associate member of SICOT in good standing (2025 annual membership fee paid); have an abstract (oral or poster) accepted for the Congress; registered for the Congress

Please send the following documents to awards@sicot.org: CV and copy of birth certificate or passport

Application deadline: 4 June 2025

ORTHOPEDIATRICS/SICOT FOUNDATION SCHOLARSHIPS SPONSORED BY ORTHOPEDIATRICS AND SICOT FOUNDATION

Four scholarships of USD 500 each for posters in Paediatrics (including Clubfoot and Paediatrics Foot) and three scholarships of USD 1,000 each for orals in Paediatrics (including Clubfoot and Paediatrics Foot) and a certificate will be awarded at the Closing Ceremony of the Congress. The purpose is to allow eligible Active or Associate members of SICOT to attend the SICOT Congress by helping to cover the accommodation and travel costs.

Prerequisites: candidates must be paediatric orthopaedic surgeons or a general orthopaedic surgeon with a major interest in paediatric orthopaedic surgery; 45 years of age or younger; Active or Associate members of SICOT in good standing (2025 annual membership fee paid); have an abstract (oral or poster) accepted for the Congress; registered for the Congress.

Please send the following documents to awards@sicot.org: CV and copy of birth certificate or passport

Application deadline: 4 June 2025

SHIMOMURA/OREF/SICOT TRAVEL AWARDS SPONSORED BY OREF

Shimomura, OREF and SICOT invite proposals for the OREF/SICOT Travel Awards. The Award Recipient will be given the opportunity to attend the SICOT 45th Orthopaedic World Congress in Madrid on 3 - 5 September 2025. SICOT members who are private practice orthopaedic surgeons and fellows are encouraged to apply. SICOT members who are orthopaedic surgeons in an academic setting are

also eligible to submit proposals for consideration. Award applicants must have a current membership in SICOT. More information can be found [here](#).

Application deadline: 1 July 2025

SICOT-CONGRESS-SCHOLARSHIP 2024 SPONSORED BY THE SICOT GERMAN SECTION

The German section of SICOT is offering scholarships worth EUR 500 each to attend the Congress. Candidates must be German Associate Members of SICOT under 40 years old and must have had an

abstract accepted for presentation at the Congress. More information is available [here](#).

Application deadline: 1 May 2025

The SICOT Research Award Programme comprises five awards. The winners are chosen based on scientific merit by the Research Academy with one winner in each of the following areas:

- Clinical Research
- Basic Science
- Young Investigator (first author must be less than 40 years old)
- Female Researcher/Clinician (first author must be female)
- Best Surgical Technique/Case Report

The first author of each winning manuscript must be prepared to present the paper in person at the 2025 SICOT Orthopaedic World Congress.

BEST CLINICAL RESEARCH PAPER

Papers submitted for the contest must be complete papers on original work, not previously published or submitted for publication. The submitted manuscript must be on Clinical Research and in the format for publication in International Orthopaedics. The winning manuscript is encouraged to be submitted for publication in International Orthopaedics or SICOT-J following the regular peer-review process.

The award is open to both SICOT and non-SICOT members.

Prize: 1500 USD

Please send your application to the SICOT Head Office (awards@sicot.org) by **30 April 2025**. Please note that the paper can only be submitted for one Award and the Award name should be mentioned in the email.

BEST BASIC SCIENCE PAPER

Papers submitted for the contest must be complete papers on original work, not previously published or submitted for publication. The submitted manuscript must be on Basic Science and in the format for publication in International Orthopaedics. The winning manuscript is encouraged to be submitted for publication in International Orthopaedics or SICOT-J following the regular peer-review process.

The award is open to both SICOT and non-SICOT members.

Prize: 1500 USD

Please send your application to the SICOT Head Office (awards@sicot.org) by **30 April 2025**. Please note that the paper can only be submitted for one Award and the Award name should be mentioned in the email.

BEST YOUNG INVESTIGATOR (FIRST AUTHOR MUST BE <40 YEARS OLD)

Papers submitted for the contest must be complete papers on original work, not previously published or submitted for publication. It can be either a basic science or a clinical research paper. The submitted manuscript must be in the format for publication in International Orthopaedics. The winning manuscript is encouraged to be submitted for publication in International Orthopaedics or SICOT-J following the regular peer-review process.

The award is open to both SICOT and non-SICOT members.

Prize: 1500 USD

Please send your application to the SICOT Head Office (awards@sicot.org) by **30 April 2025**. Please note that the paper can only be submitted for one Award and the Award name should be mentioned in the email.

BEST PAPER FROM A FEMALE RESEARCHER/CLINICIAN (FIRST AUTHOR MUST BE FEMALE)

Papers submitted for the contest must be complete papers on original work, not previously published or submitted for publication. It can be either a basic science or a clinical research paper. The submitted manuscript must be in the format for publication in International Orthopaedics.

The award is open to both SICOT and non-SICOT members.

Prize: 500 USD

Please send your application to the SICOT Head Office (awards@sicot.org) by **30 April 2025**. Please note that the paper can only be submitted for one Award and the Award name should be mentioned in the email.

BEST SURGICAL TECHNIQUE/CASE REPORT

The case report or surgical technique described for the contest must be in the format of a complete paper on original work, not previously published or submitted for publication.

Surgical technique:

- Maximum number of authors: 3 authors
- Abstract: 1 paragraph

For the format of the case report and surgical technique, it needs to be written up as a full paper and follow the following:

Required headings:

- Abstract
- Introduction
- Pre-operative planning
- Requirements for the surgery
- Indications and contraindications
- Surgical anatomy
- Surgical technique
- Postoperative management
- Tips and tricks
- Pitfalls
- Complications
- Uniqueness of the authors' technique compared with the standard technique
- Case illustration
- References
- Figure Legends (if applicable)

Case report:

- Maximum number of authors: 6 authors
- Abstract: 1 paragraph

Required headings:

- Abstract
- Introduction
- Case report
- Discussion (including the explanation of the case's uniqueness and its clinical implications)
- References
- Figure Legends (if applicable)

Word count:

- Abstract: up to 150
- Manuscript: up to 1500 words

Word count:

- Abstract: up to 300 words
- Manuscript: up to 2500 words

- Reference count: up to 10 (following the format of International Orthopaedics)
- Figure count: no limit

- Reference count: up to 10 (following the format of International Orthopaedics)
- Figure count: no limit

The award is open to both SICOT and non-SICOT members.

Prize: 500 USD

Please send your application to the SICOT Head Office (awards@sicot.org) by **30 April 2025**. Please note that the paper can only be submitted for one Award and the Award name should be mentioned in the email.

No application is required for the awards below. The winners of the awards below will be selected from all presenters at the Congress. Award winners will be notified in advance and must attend the Closing Ceremony to receive their prize and a certificate.

HENRI BNSAHHEL/SICOT AWARD - SPONSORED BY THE SICOT CONGRESS

This Award was established in 2009 in memory of Henri Bnsahhel, Professor of Paediatric Orthopaedics and a Founding Member of IFPOS (International Federation of Paediatric Orthopaedic

Societies). A prize of EUR 300 is awarded at the Closing Ceremony to the best oral presentation in Paediatrics.

HULL DEFORMITY COURSE SICOT AWARD - SPONSORED BY SICOT & HULL HOSPITAL

Two awards, one for the best oral presentation in Trauma and one for the best poster presentation on Deformity of the Limb, will be granted free registration to the Hull Deformity Course, which will take place in Hull, United Kingdom. The course material, lunches and course dinner for all four days

will be provided by the organiser. In addition, the accommodation costs will be reimbursed by SICOT up to EUR 500 (upon receiving the hotel receipt as proof of your expenses). However, the travel expenses will have to be covered by the awardee himself.

SHANMUGA S. JAYAKUMAR AWARD - SPONSORED BY THE SICOT CONGRESS

This Award was created in 2013 in honour of Shanmuga S. Jayakumar, considered to be amongst the greatest paediatric orthopaedic surgeons in the

United States. A prize of EUR 300 is awarded to one of the best oral presentations in Paediatrics.

SICOT/AAOS ANNUAL MEETING SCHOLARSHIPS - SPONSORED BY SICOT & AAOS

AAOS (American Academy of Orthopaedic Surgeons) will provide two free registrations for the AAOS Annual Meeting to SICOT-selected scholarship recipients, who will be chosen from a pool of candidates comprised of the winners of the best oral in Shoulder and Elbow and poster in Computers

and Enabling Technologies. Travel expenses up to EUR 500 will be covered by SICOT (upon receiving an invoice as proof of your expenses).

45th SICOT
ORTHOPAEDIC WORLD CONGRESS
MADRID • SPAIN • 3-5 SEPTEMBER 2025

PARTNER SOCIETIES

LEARNING OUTCOMES FOR ATTENDEES AT SICOT 2025, MADRID

1. PAEDIATRICS SUBSPECIALTY SYMPOSIA

Learning outcomes

- How to diagnose and manage complex Paediatric upper limb trauma including, irreducible & late-presenting supracondylar humerus fractures, delayed-presenting & un-united lateral humeral condyle fractures, late-presenting Monteggia fractures, difficult distal radius fractures and more
- Understand various techniques and controversies related to complex knee problems in children, such as, management of limb length discrepancy, tibial tuberosity and spine avulsion injuries, patellar instability and osteochondritis dissecans
- Learn how to manage difficult issues in cerebral palsy, such as, lever arm dysfunction, crouch gait, hip dislocations and scoliosis, in collaboration with a multi-disciplinary team

Highlights

- Participate in audience polls and interactive learning with experts and peers
- Acquire practical skills through video-based learning
- Resolve doubts and controversies through lively debates
- Participate in case-based discussions for more focused & personalized learning

What's in it for me?

- Learn from paediatric trauma experts from all around the world
- Up your trauma game and become a bone ninja
- Interact with Paeds Sports experts and learn state-of-the-art ligament and bony reconstructions
- Overcome your fear of managing children with cerebral palsy and complex disability

2. HAND & WRIST SUBSPECIALTY SYMPOSIA

Learning outcomes

- How to diagnose and manage ulnar sided wrist pain including, TFCC tears, DRUJ arthritis, ulnar impaction and more
- Understand the role of arthroscopy in the management of various hand and wrist disorders, such as, TFCC disorders, scapholunate instabilities, complex distal radius fractures, wrist arthritis etc.
- Learn how to manage common hand and wrist conditions and avoid complications, using a case-based approach

3. HIP SUBSPECIALTY SYMPOSIA

Learning outcomes

- Understand current trends in total hip arthroplasty including, outpatient THA, developing ERAS protocols, use of robotics in THA, ceramic on ceramic resurfacing and much more
- How to select patients for hip preserving surgery, including, PAO, arthroscopy, combined surgical strategies, and newer technologies in diagnostics
- Define the indications for various surgical approaches for THA, such as, the direct anterior approach, anterolateral & posterior approaches
- Learn tips & tricks in revision hip arthroplasty including, extended trochanteric osteotomy, implant removal, acetabular augments, modular stems and more

Highlights

- Participate in interactive learning with experts and peers
- Acquire practical skills through surgical technique videos
- Participate in case-based small group discussions for more focused & personalized learning

What's in it for me?

- Learn from hip arthroplasty experts from all around the world
- Familiarize yourself with advanced surgical techniques for primary and revision hip arthroplasty, hip preserving surgeries, and combined strategies
- Discuss finer nuances of revision hip arthroplasty through cases and videos
- Become up-to-date with current trends and what's hot in total hip arthroplasty

Highlights

- Participate in interactive learning with experts and peers
- Acquire practical skills through surgical technique videos
- Participate in case-based small group discussions for more focused & personalized learning

What's in it for me?

- Learn from hand and wrist experts from all around the world
- Familiarize yourself with advanced arthroscopic techniques for wrist and hand surgery
- Overcome the fear of complications through case-based small group discussions

LEARNING OUTCOMES FOR ATTENDEES AT SICOT 2025, MADRID

4. SPORTS SUBSPECIALTY SYMPOSIA

Learning outcomes

- Understand latest trends around the knee including, primary ACL repair, dry CO2 usage for ACL reconstruction, single stage cartilage transplant and much more
- Debate controversial issues, such as, choice of ACL graft, one-stage v/s staged procedures for failed ACL reconstruction and infected knee following ACL surgery, trochleoplasty plus MPFL v/s TT osteotomy plus MPFL reconstruction for high riding patellar dislocation
- Define the indications and management of complex knee conditions, such as, difficult meniscal tears, complex PCL & cartilage injuries, recurrent patellar dislocation, failed ACL reconstruction etc.
- Learn tips & tricks in knee ligament surgery including, quadriceps tendon harvesting, primary ACL repair, meniscal root repair, MPFL & MCL reconstruction and more

Highlights

- Participate in interactive learning with experts in sports surgery and peers
- Acquire practical skills through surgical technique videos
- Resolve doubts and controversies through lively debates
- Participate in case-based small group discussions for more focused & personalized learning

What's in it for me?

- Learn from sports surgery experts from all around the world
- Familiarize yourself with advanced surgical techniques for knee ligament reconstruction, patellar dislocation, meniscal injuries and more, through step-by-step surgical technique videos
- Discuss finer nuances of complex knee conditions through case-based discussions
- Become up-to-date with current trends and what's hot in knee ligament surgery

5. SPINE SUBSPECIALTY SYMPOSIA

Learning outcomes

- Debate controversial issues in spine surgery including, ACDF v/s TDR for cervical disc disease, standalone cage v/s cage with plate in ACDF, decompressions v/s fixation and fusion in spondylolisthesis, open v/s MIS in lumbar disc prolapse, and much more
- How to avoid and manage complications in spine surgery, such as, vascular injury, neurological deficit, massive dural tear, PJK after TL fixation etc.
- Learn tips & tricks in advanced spine surgery including, cervical spine endoscopy, high-grade spondylolisthesis, transforaminal endoscopic discectomy, osteoporotic spine fixation and more

Highlights

- Participate in interactive learning with experts in spine surgery and peers
- Acquire practical skills through surgical technique videos and rapid-fire sessions
- Resolve doubts and controversies through lively debates & panel discussions
- Participate in case-based discussions for more focused & personalized learning

What's in it for me?

- Learn from spine experts from all around the world
- Share complications and learn how to avoid them through the 'My Worst Case' scenarios
- Discuss finer nuances of advanced spine surgery through cases and videos
- Become up-to-date with current trends and what's hot in spine surgery through rapid-fire sessions

14th SICOT EDUCATIONAL DAY

Tuesday, September 2nd

SPECTOR DAY PROGRAMME • ROOM PARIS (2nd floor - L)

SPECTOR COURSE LEAD
 Sherif Elnikety (UK)

EDUCATION COMMITTEE CHAIR
 Saseendar Shanmugasundaram (India)

EDUCATION ACADEMY CHAIR
 Margaret Fok (Hong Kong)

SPECTOR ADVISORY BOARD
 Professor Khalid Emara (Egypt)
 Mr Ajay Malvyia (UK)
 Dr Vaibav Bagaria (India)

Speakers:
 Sanjay Keshkar (India)
 Alok Agrawal (India)
 Sandesh Lakkol (Dubai)
 Swapnil Keny (India)
 Toni Antonios (UK)
 Mohamed Kenawy (UK)
 Tatiana Guerschman (Brazil)
 Mohamed Imam (UK)

INTERNATIONAL COURSE ON POLYTRAUMA MANAGEMENT ROOM LONDRES (2nd floor - L)

14:00-15:00 SESSION I
TREATMENT STRATEGIES IN POLYTRAUMA
Moderators:
 Jesus Gomez Vallejo (Spain)
 Marc Hanschen (Germany)
Spakers:
 Marc Hanschen (Germany)
 Hans-Christoph Pape (Switzerland)
 Roman Pfeifer (Switzerland)

15:00-15:45 SESSION II
MODERN TREATMENT OF PELVIC INJURIES
Moderators:
 Amparo Gomez Gelvez (Colombia)
 Roman Pfeifer (Switzerland)
Spakers:
 Jesus Gomez Vallejo (Spain)
 Roman Pfeifer (Switzerland)
 Michel Teuben (Switzerland)

16:00-17:00 SESSION III
MODERN TREATMENT OF HIGH-ENERGY SPINE INJURIES
Moderators:
 Ilir Hasani (North Macedonia)
 Stephan Frenzel (Austria)
Spakers:
 Michel Teuben (Switzerland)
 Ilir Hasani (North Macedonia)
 Stephan Frenzel (Austria)
 Roman Pfeifer (Switzerland)

17:00-18:00 SESSION IV
MANAGEMENT OF MAJOR EXTREMITY TRAUMA/ RECONSTRUCTION
Moderators:
 Christian Fang (Honk kong)
 Devendra Agraharam (India)
Spakers:
 Devendra Agraharam (India)
 Christian Fang (Honk kong)
 Roman Pfeifer (Switzerland)
 Hans-Christoph Pape (Switzerland)

14th SICOT EDUCATIONAL DAY

Tuesday, September 2nd

LATAM LOWER LIMB • ROOM MADRID (1st floor - L)

10:30-11:30
UNICOMPARTMENTAL KNEE OA: SURGICAL MANAGEMENT
Moderators:
 Lyes Hdj (Algeria)
 José Antonio Hernández Hermoso (Spain)
Spakers:
 Julio Fernandes (Canada)
 Juan Carlos Martinez Pastor (Spain)
 Claudia Arias (Peru)
 Pablo Cornejo (Ecuador)
 Antonio Silvestre (Spain)
 Carlos Lozano (Spain)
 Carlos Autorino (Argentina)
 Luisa Bertrand (Spain)

10:30-12:30
THE CHALLENGING PRIMARY/REVISION TKA
Moderators:
 Luisa Bertrand (Argentina)
 Carlos Autorino (Spain)
Speakers:
 Gustavo Garcia (Venezuela)
 Nestor Moreno (Spain)
 Antonio Silvestre (Spain)
 Germán Viale (Argentina)
 Carlos Lozano (Spain)
 Julio Fernandes (Canada)
 José Antonio Hernández Hermoso (Spain)
 Carlos Martin-Hernandez (Spain)

12:30-13:30 Lunch Break

13:30-14:30
HIP-KNEE PERIPROSTHETIC FRACTURE/ INFECTION
Moderators:
 Carlos Higuera-Rueda (USA)
 Ernesto Guerra (Spain)
Speakers:
 Rafael Sierra (USA)
 Carlos Higuera-Rueda (USA)
 Fernando Marques (Spain)
 Francisco Linares (Colombia)
 Nestor Moreno (Spain)
 Javier Martinez (Spain)
 Antonio Silvestre (Spain)
 Rodrigo Pesantez (Colombia)
 Marco Ezechieli (Germany)

14:30-14:50
FUTURE OF IMAGING IN MSK FIELD: THE NEW ERA IS COMING
Speaker:
 Ara Kassarian (USA)
14:50-15:30
HIP/KNEE CASE BASED SESSION
Moderators:
 Rafael Sierra (USA)
 Nicolas Restrepo (Colombia)

 Francisco Soler (Spain)
 Raul Torres (Spain)

17:00-18:00
REVISION THA: WHERE ARE WE NOW?
Moderators:
 Victor Hernandez (USA)
 Fernando marques (Spain)
Speakers:
 Rafael Sierra (USA)
 Justino Fernández (Mexico)
 Henry Raunir Flores (Bolivia)
 Miquel Pons (Spain)
 Nicolas Restrepo (Colombia)
 Daniel Donaire (Spain)
 Pablo Sanz (Spain)
 Efrain Diaz-Borjon (Mexico)

14th SICOT EDUCATIONAL DAY

Tuesday, September 2nd

UPPER LOWER LIMB • ROOM ROMA (2nd floor - L)

10:30-10:40
WELCOME

10:40-11:30
MODULE 1: ELBOW INSTABILITY

LECTURE
Moderators:
 Alejandro Moreno (Spain)
 Christian Lozano (Perú)
Speaker:
 Juan Martín Patiño (Argentina)

CASE DISCUSSION
Moderators:
 Manuel Zafra (Spain)
 Mariano Parisi (Argentina)
Speakers:
 Juan Martín Patiño (Argentina)
 Rafael López Arévalo (Spain)
 Nahuel Cabrera (Argentina)
 Alejandro Moreno (Spain)

11:30-12:30
MODULE 2: AC INSTABILITY

CROSSFIRE:
Moderators:
 Paul Patiño (Bolivia)
 Jesús Palacios (Paraguay)
Speakers:
 Christian Lozano (Perú)
 Daniel Moya (Argentina)

CASE DISCUSSION
Moderators:
 Héctor Salamone (Argentina)
 Daniel Moya (Argentina)
Speakers:
 Christian Lozano (Perú)
 Miguel Angel Flores (Spain)
 Diego Gómez (Argentina)
 Federico Alfano (Argentina)

12:30-13:00 Lunch

13:00-14:00
MODULE 3: ROTATOR CUFF

LECTURE
Moderators:
 Juan Martín Patiño (Argentina)
 Jesús Palacios (Paraguay)
Speakers:
 Mariano Parisi (Argentina)
 Emilio Calvo (Spain)

CASE DISCUSSION
Moderators:
 Guido Fierro (Colombia)
 Nahuel Cabrera (Argentina)

DISCUSSION PANEL
Speakers:
 Emilio Calvo (Spain)
 Alberto Rivera (Puerto Rico)
 Miguel Ángel Flores (Spain)
 Héctor Salamone (Argentina)

ROUND TABLE
Moderators:
 Federico Alfano (Argentina)
 Alfonso Di Giorno (Italia)

Speakers:
 Josep Pous (España)
 André Kruel (Brazil)
 Almudena Fernández Bravo (España)
 Fidel López (Paraguay)
 Pedro Bernáldez (Spain)

14th SICOT EDUCATIONAL DAY

Tuesday, September 2nd

UPPER LOWER LIMB • ROOM ROMA (2nd floor - L)

14:00-15:00

CASE DISCUSSION
Moderators:
 Guido Fierro (Colombia)
 Daniel Moya (Argentina)
Speakers:
 Paul Patiño (Bolivia)
 Gonzalo Gómez (Argentina)
 Humberto Arrué (Panama)
 Jesús Palacios (Paraguay)

CROSSFIRE
Moderators:
 Rafael López Arévalo (Spain)
 Alejandro Moreno (Spain)
Speakers:
 Gonzalo Gómez (Argentina)
 Emilio Calvo (Spain)
 José Silberberg (Spain)
 Daniel Moya (Argentina)

15:00-15:30
MODULE 5: SPORTS INJURIES

CROSSFIRE
Moderators:
 Gonzalo Gómez (Argentina)
 Paul Patiño (Bolivia)
Speakers:
 Dr. Humberto Arrué (Panama)
 Diego Gómez (Argentina)

15:30-16:00 Coffee break

16:00-16:30
MODULE 6: TRAUMA

CASE DISCUSSION ROUND TABLE
Moderators:
 Nahuel Cabrera (Argentina)
 Mariano Parisi (Argentina)
Speakers:
 Rafael López Arévalo (Spain)
 Alejandro Moreno (Spain)
 Manuel Zafra (Spain)
 Juan Martín Patiño (Argentina)

LECTURES
Moderators:
 Daniel Vaineras (Argentina)
 Fidel Gómez (Paraguay)
Speakers:
 Yaiza Lopiz (Spain)
 Fernando Santana (Spain)
 Alberto Rivera (Puerto Rico)

15:00-15:30
MODULE 7: ARTHROPLASIES

LECTURES
Moderators:
 Miguel Angel Flores (Spain)
 Daniel Vaineras (Argentina)
Speakers:
 Federico Alfano (España)
 Diego Gómez (Argentina)
 Guido Fierro (Colombia)

CASE DISCUSSION
Moderators:
 José Silberberg (Spain)
 Diego Gómez (Argentina)

Speakers:
 Fernando Santana (Spain)
 Yaiza Lopiz (Spain)
 Alberto Rivera (Puerto Rico),
 Héctor Salamone (Argentina)
