

AAC 2025

7th Asia Arthroscopy Congress

AAC 2025 will be held both **onsite** and **online**

Dear Colleagues,

It is our great pleasure to invite you to the 7th Asia Arthroscopy Congress (AAC), taking place from December 19th-20th, 2025, in Seoul, Korea.

The AAC is a premier international gathering, uniting specialists in knee, shoulder, ankle, spine, elbow, and wrist arthroscopy. This year's meeting holds special significance as it marks our much-anticipated return after a six-year pause, building on the success of previous congresses in Korea, China, India, and Indonesia.

The program will feature leading experts sharing the latest techniques, clinical insights, and engaging in interactive case-based discussions.

We warmly welcome your participation in making AAC 2025 a truly exceptional opportunity for learning, collaboration, and advancing arthroscopic surgery in Asia and beyond.

Honoray president **Sung-Jae Kim**

Congress chair **Sang-Hun Ko**
